NEXUS 500

THE SPORTING HEAVYWEIGHT

True power, thrilling control and sports performance, along with the comfort and features you would expect from a Gilera maxi scooter. You will feel at one with the aggressive design, ultimate technology and sportsbike-like ride. Slip into traffic in the city or tackle a long, winding mountain road and let your spirits soar. Nexus 500: Only Gilera can give you such a great feeling.

NEXUS 250

THE SPORTIEST IN ITS CLASS

The most advanced sports scooter is also available in 250cc. With the sportiest handling, the most comfortable ride and quickest performance it dominates the competition. Uncompromising attention to detail and a sophisticated design add to the mix. Discover a new dimension of riding enjoyment, from the city streets to the open roads at the weekend. Nexus 250: Created by Gilera, tailor-made for your needs.

RUNNER VXR 200 - VX 125

UNBEATABLE FEELINGS

Grab hold of life with both hands, take control and turn every day into an unforgettable experience. With their aerodynamic design, racing colour schemes, sporty riding position and fantastic LEADER engines, the Runner VXR 200 and VX 125 make you dream of the racetrack whilst offering you all the practicality and comfort of a scooter.

RUNNER SP 50 PJ 50 - SC 50

WINNING PASSION AND TECHNOLOGY

One look is enough to realise that this is no ordinary scooter. Aerodynamic design and two-tone racing livery tell you all you need to know about the Runner 50. Six-spoke wheels reinforce its racing credentials and give it a distinctly sporty feel. Advanced technology, individual details, fuel-injected engine (PureJet). Runner 50: Born to run, just like you.

DNA 50

A GENETICALLY MODIFIED SCOOTER

Styled like a motorcycle this sporty two wheeler is sure to set you ahead of the crowds. A sturdy frame and twist and go transmission enables you to capture driving energy and thrills you never thought possible; As well as offering superior manoeuvrability and excellent control.

STALKER 50

FUN WITHOUT LIMITS

Essential and unmistakable style. Two chunky tyres with deep tread matched with strong suspension open new possibilities of fun. A powerful engine and a riding position that puts you in total control let you make the most of it. Ride where you want, do what you want. Stalker takes you off the beaten track and onto new terrain.

SQUADRA CORSE SC 125

A PURE-BRED SPORTSBIKE

The technical excellence of the Gilera SC is evident from the perimetral chassis and aluminium swinging arm, to the upside down 40 mm forks and twin piston radial brakes. This bike is perfect for road riding and offers true sports performance.

RCR 50 & SMT 50

UNBEATABLE PERFORMANCE

Real motorbikes for on the road pleasure. Unbeatable performance, an aggressive attitude and revolutionary design. The Gilera SMT is an easy to handle road bike, with the RCR being capable of both on/off road conditions. RCR and SMT: All the driving pleasures that only a true supermotard or off road bike could offer.
